3 Work Experience:

- June → August (2022): Maryborough Hotel and Spa, kitchen porter.

- August → September (2023), May 2024 → Present : Fota Island Resort, food and beverage assistant.

My experience in the hospitality industry really improved my ability to work as part of a collaborative effort, as well as the ability to take initiative myself, and communicate with consumers.

4 Awards/Acknowledgements:

- Fundraised for HOPE during Second-Level Education (2019).

- Completed Young Mariners Program at KOEC (2020).

- Achieved Bronze Gaisce Award (2020).

- Earned maximum points in LC 2022, including H1's in Maths, Physics, Applied Maths, Chemistry and Biology.

- Received Entrance Exhibition Award from TCD (2023).

5   Skills

- Word/Excel proficiency.

- Maths/physics, graphing and computation skills in Python.

- Some Mathematica experience.

- Latex proficiency.

- OriginLab proficiency.

- Recently, learning Quantum Mechanics and Group Theory in my free time.

I have gained most of these skills over the past two years of my course. Some of the basic Python code I have written can be seen at https://github.com/DavidLawton04/VSCode. Of course, I would jump at the chance to improve my current skills, or add new ones.

6   Referees:

- Prof. Chaolun Wu - Teaching Fellow at TCD School of Maths. (WUCH@tcd.ie)
